DAY, AUGUST 4

WONDERFUL GARDEN Cleve Rushing has one of the most prolific gardens to be seen VOLUME 58 in this section. It is located seven miles northwest of Elba the old Rushing homestead. Mr. & Mrs. Rushing operat a boarding house and their garden furnishes an abundance of vegetables for the table. Among the varieties of vegetables in the Rushing garden is an acre of sweet potatoes that give promise of a bumper yield Mr. Rushing says he thinks every farmer and gardner should plant a patch of sweet potatoo as they could be made about the most profitable crop that can be raised.

RIVER ABOVE NORMAL The recent rains in this area have caused Pea River to have a rise of approximately two fe above normal at the house dam. Ed Hatcher, of tor at the power house, sai gauge there showed a st about 32 feet, which is to above normal (30 feet). means that there was two of water pouring over the Mr. Hatcher said the stage is not ideal but tisfactory. He explained when the siwer stage rises above 30 feet and pours over the dam, the water below the power house rises to where there is some re-

duction in production of power.

"BUDDY" WINDHAM COACH John (Buddy) Windham Elba has been named, along with V. L. Bulger, as coach for the South All-Star basketbal team my the Alabama High School Athletic Association. Coath Windham is relatively new in the coaching game but he produced a winning team a Suttle. His quantet won 28 of 30 grmes played over the season. "Buildy" starred in footba basketball und baseball at Elba High before going to Troy STC Helis a son of Mr. & Mrs. Morgan Windham of Eloa, Bolger, a former Jacksonville the South AA All-Star team and Windham will coach the A category cagers in their games in Tuscaloosa August 11. As Elba will be represented by two Elba Tiger football stars Thomas Prescott and Rolanc number of local fans are plan grid games. The football gar s played in the afternoon and

now. Don't wait. Natural gas heats any home efficiently and economically. NOW is the time for you to have your home piped and equipped for cool-weather comfort. Call your licensed, bonded natural gas dealer today, so you'll be ready when cold weather comes. It won't be long, either. Summer will be over soon. And remember, your appliance dealer cannot install everybody's heating system at once.

While you're talking to your dealer about gas heating, find out about all the other wonderful gas appliances he sells. You can heat water, cook, refrigerate, air-condition, and dry clothes better and faster with natural gas - and save money, too!
